County Supports Strategic Planning Efforts of McKenney Town Council

The Dinwiddie County Division of Planning and Community Development will facilitate financial support to the Town of McKenney for the development of a town-specific strategic plan. Funding for this project was made possible through a technical assistance grant to the County from The Cameron Foundation.

Kristin Beekwilder was appointed by the Town Council to serve as Project Coordinator and will work with the Council to develop a committee of key stakeholders. This committee will work directly with a consultant to develop a plan for McKenney that will address immediate needs while preparing for future growth and development. Kevin Massengill, County Administrator, encouraged the Town to work toward a plan that is “progressive yet realistic”.
